

Supplementary Member Profiles

This document outlines the academic and professional backgrounds of the section's foundational members.

Full Name	Academic Background	Professional Focus	Specialized Sector
Albadawi, Abdulaziz	B.Sc. in Electronics & Communications Engineering, Ain Shams University M.Sc. candidate of Physics, The American University in Cairo (AUC)	Research (RA&TA at Nanophotonics Research Lab, American University in Cairo (AUC))	Laser Science & Optical Sensors
Elsherbiny, Mohammed	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Industry (Optical Applications Intern, Si-Ware Systems)	Silicon Photonics
Hussein, Mariam	Undergraduate, Electronics & Communications Engineering, German University in Cairo (GUC)	Research (Jr. RA, GUC Micro Optics Lab)	Silicon Photonics
Saber, Jannah	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Research (Research intern at Nile University, Optical Technologies Trainee at the American University in Cairo (AUC))	Silicon Photonics
Ghadiry, Yahia	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Hybrid (Optical Systems Intern at Si-Ware, Jr. RA at Ain Shams University)	Silicon Photonics
Roushdy, Ahmed	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Industry (Technical Management Intern, Si-Ware Systems)	Optics
Elabbas, Abdlrhman	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Research (In Silicon Photonics)	Silicon Photonics
Hassan, Abdelrhman	Undergraduate, Electronics & Communications Engineering, Sphinx University	Research (Optical Technologies Trainee at the American University in Cairo (AUC))	Silicon Photonics
Elsherbiny, Arwa	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Hybrid (MEMS Intern at Si-Ware Systems, Jr. RA intern at Zewail City)	Quantum Optics
Ramadan, Khaled	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Research (Jr. RA at LLOC lab in Ain Shams University, Optical Technologies Trainee at the American University in Cairo (AUC), Research Intern at Nile University)	Silicon Photonics

Full Name	Academic Background	Professional Focus	Specialized Sector
Khedr, Mohammed	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Research (Jr. RA at LLOC lab in Ain Shams University, Optical Technologies Trainee at the American University in Cairo (AUC))	MEMS & Non-Linear Optics
Ayoub, Omar	Undergraduate, Electronics & Communications Engineering, Ain Shams University	Hybrid (Optical Systems Intern at Si-Ware, Jr. RA at AUC)	Gas Spectroscopy
Abdulaal, Islam I.	B.Sc. Electronics & Communications Engineering, Alexandria Univeristy	Academic (Intern, Nanophoto Lab, A* Star, PhD candidate, Max Planck (MPSP/MPL))	Integrated Nanophotonics, Nonlinear Quantum Photonics
